In re Application of :  
Inga Reynisdottir et al :  
Serial No.: 10/820,226 : PETITION DECISION  
Filed: April 7, 2004 :  
Attorney Docket No.: 2345.2049-006 :

This is a decision on the PETITION FOR ACCEPTANCE OF COLOR DRAWINGS UNDER 37 CFR 1.84(a)(2). The petition was filed October 28, 2004. Entry of color drawings requires: 1) three sets of the color drawings, 2) a proper amendment to the specification indicating color photographs or drawings are present in the file, and 3) the required fee under 37 CFR 1.17(h).

A review of the application record shows that the required amendment to the specification has not been made (or if made, cannot be found). Further, it appears that the required three sets of color drawings did not accompany the petition (or have been misidentified or have been misplaced by the Office).

Applicants are requested to submit the drawings and an appropriate amendment to the specification is a separate paper accompanied by a renewed petition. No additional petition fee is required.

The petition is **DISMISSED** for the reasons noted above.
